

# MOBIUS OUTSOURCED & CO-SOURCED SERVICES

## WHY MOBIUS

At Mobius, we believe that organisations cannot confidently accelerate their digital journey without trust. That's why we work with you to build and implement relevant and bespoke solutions to secure your digital risk landscape and provide assurance to your stakeholders.

**Expertise and resource optimisation:** A gap most organisations face is a shortage of quality, skilled resources and periodic capacity and capability constraints within their Internal Audit departments. Mobius Consulting offers solutions geared towards filling this gap by providing specialised expertise to substitute or supplement your Internal Audit teams as and when you need it.

**Perspective:** Mobius Consulting offers independent IT / Digital Assurance services, free from internal bias, which further promotes trust and credibility between you and your stakeholders. We also offer bespoke services related to emerging technologies and changing regulations that your internal team may not possess the skills to provide.

**Experience:** Mobius Consulting offers a range of products and services. With years of experience, experienced consultants, and expertise gathered from other assurance engagements across varying industries, we are confident in providing tailored solutions to address the specific requirements and risks of each of our clients.

## DIGITAL ASSURANCE OUTSOURCED/ CO-SOURCED SERVICES

This service ensures that your organisations' digital assurance needs are met through increased scalability and access to specialised skills on demand to supplement your existing resources.

You can opt either to outsource your Digital Assurance needs to us to replace the need for in-house IT Auditors within your Internal Audit team or you can partner with us for only specific required Digital Assurance reviews to supplement your Internal Audit and IT Audit team specific needs.

## RESULTS

Access to skill and expertise on demand

Reduce costs of retaining highly skilled internal capability

Strategic assurance

# MOBIUS **OUTSOURCED** & **CO-SOURCED SERVICES**

## APPROACH

The Digital Assurance services will support your Internal Audit or Risk teams through the performance of independent Digital Assurance reviews linked to your specific Information Technology risks, delivering practical and purpose-built recommendations to address your challenges.

Our team can perform the following required services, providing you on-demand access to a pool of appropriately skilled resources that are notoriously difficult to retain in-house.

### **OUTSOURCED DIGITAL ASSURANCE MANAGER**

To develop, execute and report on your organisation's Digital Assurance requirements as part of a wider Internal Audit function, fully or partially outsourcing the Digital Assurance function over the medium-long term.

### **DIGITAL ASSURANCE RESOURCE SECONDMENT**

Which entails integrating our expertise and personnel into your Internal / IT Audit department, rendering full-time services directly to your team, for a specified period to meet any heightened short to medium term capacity demands.

### **CO-SOURCED DIGITAL ASSURANCE SERVICES**

To execute traditional Digital Assurance engagements as part of a wider IT Internal Audit function to supplement internal resource capacity on an engagement-by-engagement basis.

### **CONDUCTING SPECIALISED DIGITAL AUDITS / REVIEWS**

To execute bespoke Digital Assurance engagements as part of a wider IT Internal Audit function to extend beyond your internal team's capabilities / skillset on an engagement-by-engagement basis.

### **ANNUAL INTERNAL IT AUDIT PLAN DEVELOPMENT**

Following either your or our Mobius methodology to customise the IT Audit Plan to cover key risks based on your underlying technologies, key business processes and applicable regulatory requirements.

## **IS YOUR ORGANISATION IN A POSITION TO SERVICE ALL YOUR DIGITAL ASSURANCE NEEDS?**

The good news is that Mobius can help increase assurance coverage over your digital risks in a flexible, cost-effective and efficient manner with access to expertise as and when you need it.
